

# Which Microsoft Teams version is right for you?

Stephen Tracy, Entech's Director of Managed Services, is a passionate ambassador for technology adoption in general, and especially so for Teams. He's taken the time to compile a list of differences between the free version of Microsoft Teams and the fully licensed version to help you make the right choice.

Features	Microsoft Teams free	Microsoft Teams
Maximum Members	500,000 per org	Potentially unlimited*
File Storage	2 GB/user and 10 GB of shared storage	1 TB/user
Guest access	✓	✓
1:1 and group online audio & video calls	✓	✓
